## HWY 16 IN YOLO COUNTY NEAR ESPARTO

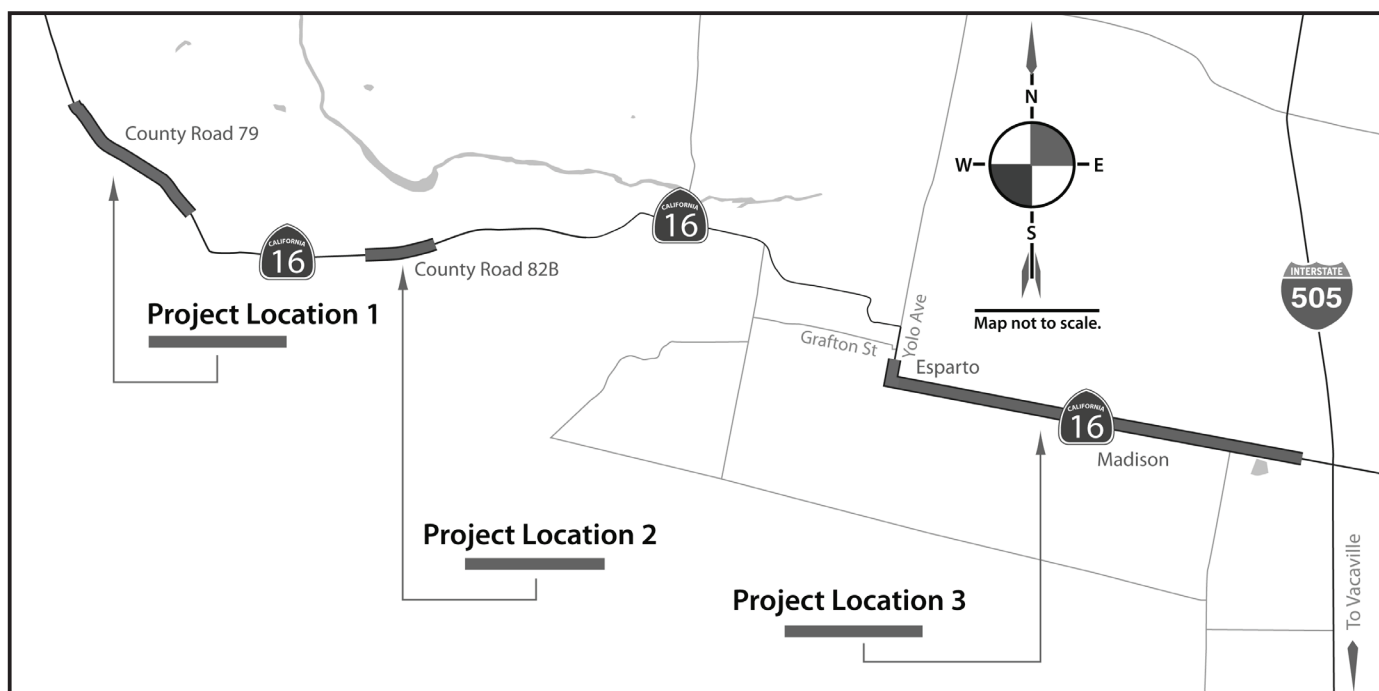

### THE PROJECT

The California Department of Transportation (Caltrans) is proposing a safety improvement project at three separate locations on State Route 16 in Yolo County between the I-505 interchange and Brooks. The project proposes to widen shoulders to 8 feet and provide a 20 foot clear recovery zone (which includes the shoulder) at all three locations. In addition the project would add a left turn pocket at location 1, flatten horizontal curves at locations 1 & 2, add a two-way-left-turn lane for a portion of location 3 (Madison to I-505), add traffic signals or roundabouts within location 3, and potentially relocate the Madison Migrant Center driveway. The locations are as follows (limits are approximate):

**Location 1 :** County Road (Co Rd) 79 (From 0.35 mile west to 0.40 mile east of Co Rd 79)

**Location 2 :** West of Co Rd 82B (From 0.34 mile west to 200' west of Co Rd 82B)

**Location 3 :** Esparto to I-505 (From 350' west of Co Rd 21A to South Fork Willow Slough)
